**SARAH NETBURN, United States Magistrate Judge:**

In light of the recent close of fact discovery on September 8, 2020, and the upcoming close of expert discovery on September 30, 2020, the parties are encouraged to contact the Court to schedule a settlement conference if they believe it would be productive at this time. Due to the Court's busy calendar, settlement conferences must generally be scheduled at least four to six weeks in advance. The Court will likely be unable to accommodate last-minute requests for settlement conferences, and the parties should not anticipate that litigation deadlines will be adjourned in response to late requests for settlement conferences. The parties may contact Courtroom Deputy Rachel Slusher by email at Rachel\_Slusher@nysd.uscourts.gov, to schedule a settlement conference and should assume that the conference would proceed by telephone using the Court's confidential teleconference service which allows the Court to speak with each party separately.

**SO ORDERED.**
